

Project Application - Electron Microscopy Center

(for Empa internal requests only)

Name		Laboratory No.	
		Telephone	
Microscope(s)	SEM <input type="checkbox"/> Zeiss Gemini 460	TEM <input type="checkbox"/> JEOL JEM 2200FS	
	SEM <input type="checkbox"/> FEI Quanta 650 ESEM	TEM <input type="checkbox"/> FEI Titan Themis	
Techniques			
Duration	<input type="checkbox"/> Short term project (< 3 months) <input type="checkbox"/> Long term project		
<input type="checkbox"/> Measurement request		<input type="checkbox"/> Request for user training <i>(of the relevant microscope)</i>	
Do you have experience in electron microscopy? <input type="checkbox"/> Yes / <input type="checkbox"/> No			
If Yes, please specify:			
Short description of the project: purpose for doing electron microscopy			
Project funding (e.g. EU, SNSF, SBF, InnoSuisse)?			
Date		Abteilungsleiter /	Name
		Laboratory head	Signature

Please submit to Rolf Erni (299) or electronically to rolf.erni@empa.ch
